10) In G.O. no. 1759-60 D 6th Octr 05, orders were passed about the Inam lands endowed to Sri Anjaneyaswamy temple at Hunguru in the T. Narasipur Tq. It was directed that the possession of the lands by the present cultivator Devaiya need not be disturbed, that one-half of the assessment on the said lands viz Rs 9-6-0 has to be remitted from

the aliences and that the khata of the lands should however continue to stand in the name of the Temple and a Muchalika obtained from the cultivator Devaiyya recognizing the temple's right to the lands in question In 1906, Devaiyya presented a Review-petition praying for a re-consideration of the said order. Under cover of C. R. No. 5050 Dy 22 May 1906, the petition was forwarded for report together with the enquiry as to why a copy of Govt order of Octr 1905 was given to the petr while the grant of such copies was prohibited in Govt order No. 4082- Pctr 864 Dy 12th Octr 1895. Another review-petition presented by Devaiyya in Septr 1912 was forwarded in Contn to the Dy. Commr, and that officer has submitted his report with records. The grounds urged for review are as noted below:—

1) That Govt having recognized the possession and enjoyment of the lands by Devaiya family from the year 1806, erred in ordering that the Patta should be made

out in the name of the Temple,
(2) that the order was passed without hearing him,
(3) that the kandayam payable for the said lands as assessed by the Survey Settlement is Rs 6-4-0 and not Rs 9-4-0.

(4) In the Inam Register, the lands are noted as Devadaya, and in G.O. dated 6th Octr 1905, it is said that the Survey assessment on the lands is Rs 9-6-0. The Dy. Commr reports that the facts of the case are given in the Govt order in question, and that the copy of the order was given to the petr through a mistake in 1906 and needful orders have been issued to the Departments to guard against such irregularity in future.

Seshagiri Rao's order of 29th March 1902 and the Govt order of October 1905 now sought to be reviewed. The grounds for review are summarized in Sub-paras 1 to 13 of Para 10 of the review-petition.

on the lands at Rs 9-6-0 though the Survey assessment on the lands is Rs 6-4-0. The order says as follows:

"...One-half of the assessment on the "said lands has to be received "from the alienee in accordance with "those (Alienation) Rules and paid "to the Temple. This amounts to Rs 9-6-0

This portion of the order does not seem to be quite clear the Survey assessment on the lands is Rs 6-4-0, and the amount fixed is one and half times the Survey assessment. From the statement of Deviah's father Veerah on 4th Janv. 1898, it is clear that the temple was getting Rs 9-4-4 excluding the water rate etc. Viz Rs 3-11-7, and the petr. has been directed to pay the difference viz Rs 0-1-8 in addition.

31) The petitioner Devaraja appears to have presented a revised petition in 1906 which was sent to the Dy. Comr. for report. No further action was taken thereon. He has again submitted another petition in Sept. 1912 and it is this application that is now under disposal.

32) The first after application was within time and as the second one is practically only a reminder, the question may be considered on its merits and a final order passed once for all.

33) On the merits, it seems to me, I say so in all deference, that the order of 6th Oct. 1905 was not quite correct. There was really no alienation but only the cultivation of the lands was left with Devaraja's family for a long time past as is evident from the fact that a payment of Rs. 9.4.4 to the Ambalakara of this ancestors is admitted. This by itself gives him no right to continue in possession. A number of similar cases have also been decided in which the Govt. have refused to recognize the lessee's or tenants' right to continue

in possession. There are a number of such cases now under the consideration of Govt. and it would be satisfactory if an uniform policy is followed with respect to such long standing holding by a tenant.

34) In the present case it seems to be contended that the lands are devadaya inam and that payments were being made to the archaks until the present dispute arose, the amounts so paid being in lieu of the Beriz which was known as 3 P or Rs 8-11-8 which with the local cess of Rs. 8 p. viz. ~~[illegible]~~ explain the payment of Rs 8-4-4 by Devasthanam Committee. It is thus pended that only the Beriz was made over to the Temple the occupancy right being left in tenant. In

The Counter Petitioner Devaraja above named, most respectfully begs to state as follows:—

That the Counter Petitioner Devaraja deceased father Eraya, his ancestors, and after their death, the Counter Petitioner have been enjoying the lands bearing

Survey

Survey Nos 825 & 832 situated at Moogoor Cavalea — & Moogoo'r Hobli, Turumakundal & Narasapur Taluk in their own right for upwards of one hundred years ——

2) That the said lands have been under the Survey Settlement assessed as Survey, No. 825 @ 2 14/" 832 @ 4 /" /" Total 6 — 4 —

3 That the Patta of these lands stands in the name of the Counder-petitioner Devanja the same having been transferred to his name after his father Cranjas death ——

4. That the Patta of the said lands stood in the name of Counder-petitioners great great-grandfather in 1834-35 (Vide Ex

5 That the Petitioner Turumalachare in No — brought to previous possession of the said Survey Nos 825 & 832 alleging that the said lands are Inam lands belonging to the Temple ——————

6. That the Counder-petitioner pleaded that the said allegations made by the

2 and that

the said lands bearing Survey Nos 825 & 832, are his ancestral properties and that his ancestors and he have been in possession and enjoyment on their own right uninterruptedly for upwards of one hundred years.

That the said Fiscal-General Assistant Commissioner engrossed into the said case and after a careful consideration of the evidence passed his judgment to the following effect:—viz:—

(1) That there is no proof to show that either the Petitioner or his ancestors had ever in possession of the said lands

(2) That it is proved beyond doubt that the County Petitioner and his ancestors have been in uninterrupted possession of these lands from 1806-07

(3) That the Ex. 1 shews that the Patta of these lands stood in the name of the Counter-petitioner's (Devaya) great, great-grandfather

(4) That the Exhibits 10 to 70 shew that the Petitioner Devaya has been paying Kandoryam of the said lands to Sirkar-Govt, and that the Petitioner

Read

has been recovering the same from the Government

5. That for these reasons the Petitioner Sivanmalachari is not entitled to recover possession of the said lands and that the suit is dismissed.

8 That the Petitioner Sivanmalachari subsequently appears to have given a petition to the Deputy Commissioner who without giving any notice of the same to the Counter-petitioner Devaya and without considering the judgment passed after due enquiry and careful consideration by the Ld. General Assistant Commissioner then in charge of the Muzarai Department, recommended to the Government that the Counter petitioner Devaya should be dispossed of the said lands & that they may be given to other persons for cultivation.

9. That thereupon the Muzarai Secretary without giving any notice to the Counter-petitioner passed an Ex-parte order as follows viz:-

(a) That it appears from the

records forwarded by the Deputy Commissioner that what Devaya (Counter-Petitioner) states is true

(b) That the said Devaya has produced several documents in original to show that the said lands have been in uninterrupted possession and enjoyment of him (Devayas) family since 1806-07

(c) That besides these that after examining the records, it appears that the archaka (Petitioner) had filed a suit for the same relief in the Assistant Commissioners Court, then in charge of Muzarai Department, who after examining all the old records carefully and after careful consideration, decided that the Petitioner has no right to recover possession of the said lands from the Counter petitioner Devaya

(d) That for these reasons the Government have decided that the present enjoyer (Counter-petitioner), of the said lands, should not be dispossessed

of the said lands.

(E) That the Petitioner is entitled to one half of the Kandayam of the said lands from the Pagavalidar and that the said Kandayam amounts to Rs. 9/61.

(F) That it seems that the Pagavalidar has been paying 9-4-4 exclusive of water pass payable to Govt: to Arachchi

(G) That the Patta of the said lands should be in the name of the Sample and that a moochilika from the present Pagavalidar Devarge, should be taken

That the Counter petitioner after hearing the said Ex parte order, applied to the Government on the 19th April 1906 (Petition No. 4487) to reverse the said Ex parte order on the following among other grounds viz:—

1 That the Government upholding the judgment of the General Assistant Commissioner then in charge of the Mudaraic Department that the Counter petitioner and

his ancestors have been in ununderrupted possession and enjoyment of the said lands from the year 1806 and that the patta of the said lands stand in the name of the Counter petitioner's family, erred in ordering that the patta should now be made out in the name of the Temple

10 That the order was without any notice to the Counter petitioner, passed against him and is not binding upon him

11 That the Kandayam payable for the said lands as assessed by the Survey Settlement is Rs. 6/4/- and not Rs 9-4-

11 That the Counter petitioner most humbly begs to submit that the Counter petitioner is not a Saguvaledar, he cultivates & enjoys the lands paying Sirkar Kandayam for his own right.

12- That there is no reason whatever to the Patta standing in the name of Counter petitioner's family for upwards

of one hundred years, being transferred in the name of the Temple ———

13 That the full amount or any portion of the Kaudayam due by him to Government may be paid to Archaka as prayed ———

14 That the Counter-Petitioner humbly begs that proper justice may be done and that he may be protected ———

Subject.

Review petition for re-consideration of the order of Govt conveyed in Pro. no. 1759-60 dated 6th October 1905 directing that the khata of inam S. nos. 825 and 832 should continue to stand in the name of Sri Anjaneya Swami Temple at Mugur, and that a ~~Total~~ Sum of ~~Rs~~ 9-6-0 be recovered from the petr and paid to the Archak.

Order

The parties were heard before Govt on the 13th April 1914.

There is no doubt that the Govt order dated 6th October 1905

GPB—1,000—8-8-11

correct. The appellant being an old tenant and having succeeded to his tenants' interests from his ancestors, The order confirms his interests in that behalf subject of course to the right of the temple over the land as its Devadaya inam, and therefore the order directing that the land should continue to be registered in the name of the Temple cannot be disturbed.

As regards the amount payable, the appellant must be liable for the pre-settlement amount shown in the Inam Settlement register, and as there is no alienation involved, para 4 of Govt. order no. 1759-60 Dy 6th octr 1905 now under review is modified, the petitioner being declared liable only to pay the old peiz + the usual cess Rs 9-4-4 to the Temple.
